Comments

Because this is a continuation of parent 09/529,037 and its specification and drawings do not contain any subject matter that would have been new matter in this prior application, attached are copies of the declaration from the parent application 09/529,037 (2 sheets) under 37 CFR 1.63(d). The power of attorney granted the undersigned with said parent application 09/529,037 applies to this application as well. Parent application 09/529,037 received an office action on July 1, 2003. On November 26, 2003, the fee required for a second month extension under 37 CFR 1.17(a)(2) was filed, extending the time to reply to said office action and well as the pendency of said parent application 09/529,037 through DECEMBER 1, 2003. The attached drawings are to be regarded as FORMAL drawings. This is to assert that applicant qualifies for small entity status under 37 CFR 1.9 and 37 CFR 1.27.
